The Mahoning Valley Vision for Education

A VISION FOR EDUCATION IN THE MAHONING VALLEY

- **By 2010, residents of the Mahoning Valley will be engaged in lifelong learning that enables them to pursue productive futures and contribute to the community.**
- **Our schools will offer high quality college preparatory, career, and technical programs in safe environments that are conducive to learning. Good teachers will emphasize active learning, the use of technology, and a rich, diverse curriculum.**
- **Educational organizations, businesses, political leaders, and community members will work in partnership to support and promote lifelong learning.**
- **Communities will support a positive culture in the Mahoning Valley that encourages our young people to make their homes here.**
- **Residents will value education and provide adequate resources to increase opportunities for the success of individuals of all ages and the economic and cultural growth of the community as a whole.**
